## **ACKNOWLEDGEMENT**

My first deepest gratitude goes to Allah, the almighty and merciful God for giving His grace and blessing so I can finish this thesis. I cannot count how many He gives His insight, strength, and motivation that I have got in my entire life. Also, all praises to Prophet Muhammad, the messenger of truth, and the role model of Muslims. I, deep from my heart, feel so grateful to have these following names who have contributed in the journey of taking the concept, analyzing, and finishing my thesis:

I would like to express my sincere gratitude to my parents, sister, and brothers for being supporters until I completed this thesis. Especially, my father who never quit to help and motivate me to stay consistent in completing my study and this thesis. The only thing I have in mind is thank you for giving everything you have to support your son. I realized that the words cannot repay everything that you gave to me until now, but I truly feel grateful to have you as my family. Also I want to say thank you to Bapak Sarnuadi, Ibu Suratmi, and Dianty for your support and motivation that never quit to teach me how to manage my time and never stop to learn and pray before doing something.

I give my great thanks to my supervisors, Ellis Tamela, M.Pd. and Siti Wachidah, Ph.D. for all the precious knowledge, advice, and motivation that ignite my spirit to finish my thesis. My big appreciation also goes to my academic advisor, Dr. Siti Drivoka S., M.Pd., for your efforts, helps, and knowledge during my learning phase in Universitas Negeri Jakarta. Also, my big respect goes to all of the English Education Study Program staffs – Mang Udin, Mas Fajri, Mbak Sony, and Pak Abu. Thank you so much for helping me with the administrative process and providing the information during my study in this department.

Highly appreciation to Giffari Syabilla Ramadan, and Fransisca Nirmala K. for being loyal, supportive, and cheerful friends that makes my college fun. All of

the discussions, arguments, and spontaneous ideas are the things I wish to stay remain forever. I wish a bright future and cheerful life await us. Thanks to all my classmates from 15 DikB for being friendly, helpful, and charmed friends.

Last but not least, I hereby want to express my biggest sincere gratitude to my mother, my first love. I'm so grateful yet sad by missing you here. The first time I entered my college life, you always be in your bed, telling everything I have to do, and I should not do in campus. You always give evaluations on my daily life. A sweet smile you had, the painful tears you drop, I just cannot stop to thinking how would you feel when you know that your son have completed his thesis. I wish you have a great place in heaven, and watch your son live his life. Thank you for everything.

## ABSTRAK

**Muhammad Firmansyah. 2020. *Move Metodologi dalam Abstrak Artikel-artikel Penelitian di TESOL Quarterly dan TEFLIN Journal: Sebuah Analisa Transitivity*. Skripsi. Jakarta: Program Studi Pendidikan Bahasa Inggris, Fakultas Bahasa dan Seni, Universitas Negeri Jakarta.**

Studi sebelumnya umumnya telah membahas struktur retorik abstrak artikel penelitian menggunakan model Hyland. Penelitian ini bertujuan untuk menganalisis fungsi dan fitur lexicogrammatikal yang dinyatakan dalam *move* metodologi abstrak artikel penelitian berdasarkan analisa transitivity Halliday dan Mathiessen. *Move* Metodologi abstrak yang digunakan untuk penelitian ini sebagai data diambil dari sepuluh abstrak dari TESOL Quarterly dan TEFLIN Journal yang diterbitkan pada tahun 2018. Menggunakan desain kualitatif, penelitian ini mencapai hasil sebagai temuan berikut: (1) Ada lima fungsi yang dinyatakan dalam langkah metodologi yaitu: desain penelitian, prosedur pengumpulan data, prosedur analisis data, responden, dan sumber data. (2) Tidak ada perbedaan signifikan dari fitur lexicogrammatikal dalam menyatakan fungsi dari *move* metodologi antara dua jurnal. Studi ini diakhiri dengan rekomendasi praktis untuk para peneliti yang bermaksud menulis abstrak untuk mempertimbangkan fungsi dalam *move* metodologi sehingga abstrak dapat menyajikan informasi dengan jelas.

## ABSTRACT

**Muhammad Firmansyah. 2020. *The Methodology move in the Abstracts of the Research Articles in TESOL Quarterly and TEFLIN Journal: A Transitivity Analysis*. A Skripsi. Jakarta: English Language Education Study Program, Faculty of Languages and Arts, Universitas Negeri Jakarta.**

Previous studies have discussed mostly the rhetorical structures of research article abstracts using the Hyland's model. This study aims to analyse the functions and lexicogrammatical features stated in the methodology move of research article abstracts based on Halliday's and Mathiessen transitivity analysis. The methodology move of abstracts taken for this study as the data are taken from ten abstracts from TESOL Quarterly and TEFLIN Journal published in 2018. Using a qualitative design, the study reached the result as the following findings: (1) There are five functions stated in the methodology move namely: research design, data collecting procedure, data analysis procedure, respondent, and source of data. (2) There is no significance different of lexicogrammatical features in stating the functions of methodology move between the two journals. The study concludes with practical recommendation for the researchers that intends writing the abstract to consider the functions in the methodology move so the abstract are able to present the information clearly.
